New Thinking

- **Change is a way of life**
  - **Challenge all assumptions**
- **Effects Based Plans/Ops are a way of life**

New Look

- **Basing footprint - String of Pearls**
- **CNE-C6F Staff Footprint**
- **Operational Forces**
- **Theater Supporting Partners**

New Thinking

Asking these . . .

Methodology of EBO and ONA

Effects Based Operations

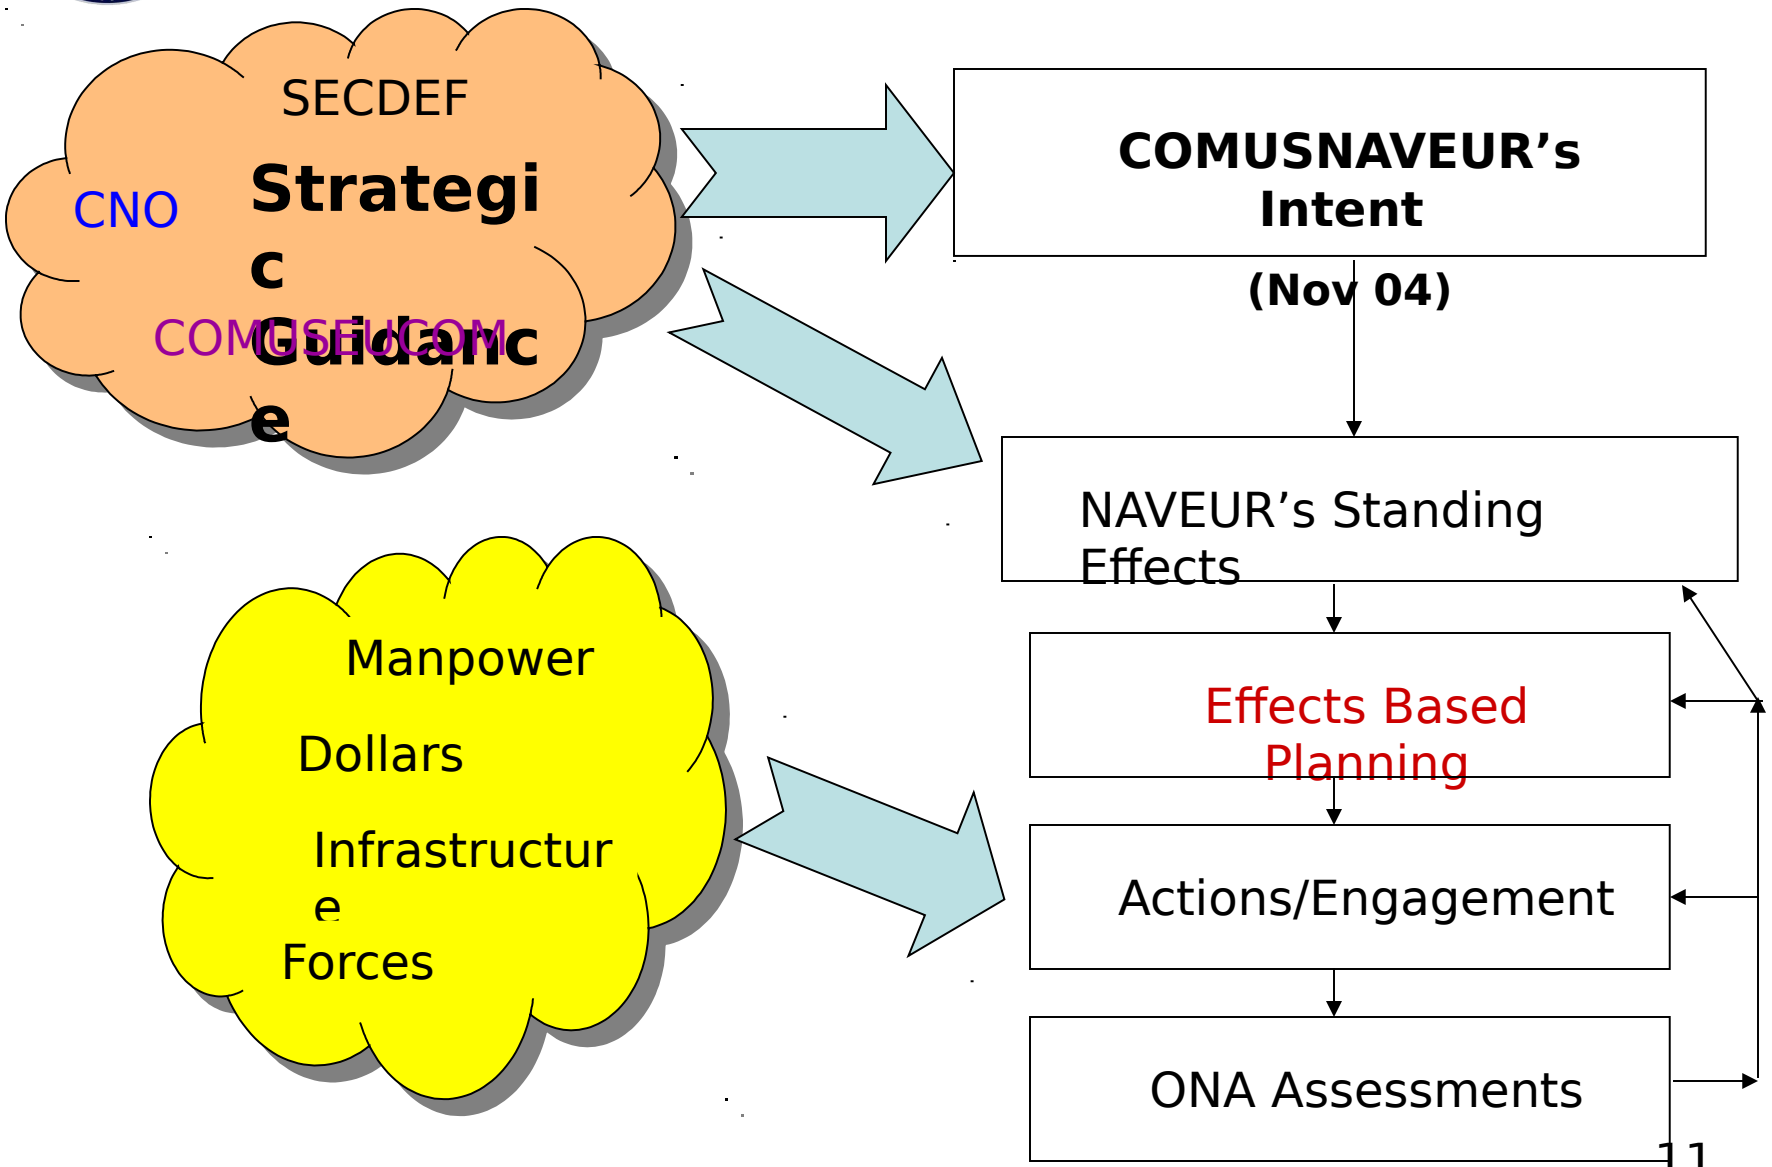
- Focus on Desired End-states
- How do we influence behavior (states, individuals)?
  - Political, Military, Economic, Social Information & Infrastructure (PMESII) Knowledge
- Active, consistent, continued strategic leadership
- Connected to National and Regional Guidance

Operational Net Assessment

- Understanding our own capabilities and limitations
  - What tools do we have? What tools do we need?
  - Which tool will best achieve the desired effect?
- Achieving effects, immediate and downstream
  - Developing MOEs
  - Learning, feedback loops, joint and combined coordination

New Thinking leads to New Initiatives

What's the Effect?



New Look

Asking these . . .

What do you do?

What is your product?

Why can't we live without you?

What is the risk?

Why can't you be in CONUS?

Led to . . .

Merged CNE-C6F staffs

New relationships - CNRE

Re-shaped CTFs

Theater Support Commands reduced

Reduced footprint

Operational Forces to CONUS

Re-shaped Reserves

MPP

Why MPP?

91 countries

Reduced staff

Fewer resources
